## RICHMOND BY-LAWS.

## A BY-LAW

To provide for dyking and draining the Townsite of Steveston, in the Township of Richmond, and for borrowing on the credit of the Municipality the sum of ten thousand dollars for completing the same.

WHEREAS the majority in number of the persons as shown by the last revised assessment roll, being for the year eighteen hundred and ninety (1890), to be the owners of the property hereinafter described to be benefited by the dyking and draining of said property have petitioned the Council of the said Municipality of Richmond for the dyking and draining of said property under the authority conferred by section 98 of the "Municipal Act, 1889," and amendments thereto;

And whereas, the said Council has procured the services of Garden, Hermon & Burwell, Provincial Land Surveyors, who have made an examination of the locality proposed to be dyked and drained, and have prepared plans and estimates of the work, and have made an assessment of the real property to be benefited by such dyking and draining, with the proportion of benefit to be derived from such dyking and draining by every lot, or portion of lot, as hereinafter expressed;

And whereas, said Council is of opinion that said dyking and draining are desirable, and that a loan should be raised for that purpose, to be paid with interest in twenty years from a day hereinafter to be named;

And whereas the sum required for the purpose of completing said work is ten thousand dollars;

And whereas it has been considered expedient that the interest only on the loan to be secured in this by-law shall be levied, collected and paid during the first five years of the period for which the debentures are issued under the provisions of this by-law;

And whereas a special rate upon the lands is to be assessed, levied and collected annually, as hereinafter

set forth, for the payment of the interest on said loan and for the creation of a sinking fund for the payment of the principal, as and when the same shall become due, respectively ;

And whereas it will require the sum of five hundred dollars annually for the payment of interest, and six hundred and sixty-six dollars and sixty-six cents annually (during the last fifteen years) of the time hereinafter set forth during which this by-law shall be in force and effect, for the creation of a sinking fund for the payment of the principal ;

Therefore the Reeve and Council of the Municipality of Richmond enacts as follows :—

1. That the report of said Garden, Hermon and Burwell be adopted, and that a dyke and drains in accordance with the plans submitted by said surveyors, as near as may be found advisable, be made, and that the property hereinafter mentioned, as set forth in section six of this by-law, shall be assessed by special rate or proportion hereinafter set out for the payment of the costs of such dyking and draining, and that the money for the construction of such dyking and draining be raised by loan as hereinafter mentioned.

2. It shall be lawful for the Reeve and Clerk of said Municipality to raise by way of loan from any person or persons, body or bodies corporate, who may be willing to advance the same upon the credit of debentures hereinafter mentioned, a sum not exceeding ten thousand dollars, and cause the same to be placed in the Bank of British North America in the City of Vancouver, to the credit of the Municipality, for the purpose and with the object herein set forth.

3. It shall be lawful for the said Reeve and Clerk to cause any number of debentures, of not less than one hundred dollars each, to be issued, said debentures not exceeding in the whole the sum of ten thousand dollars, and all such debentures shall be sealed with the seal of the Corporation, and signed by the Reeve, and countersigned by the Clerk of the Municipal Council.

4. The said debentures shall be made payable in twenty years from the time this by-law shall come into force, at the Bank of British North America, Vancouver, B. C.

5. The said debentures shall have coupons attached for the payment of interest thereon at the rate of five per centum per annum, payable half-yearly at the Bank of British North America, on the 5th day of May and 5th day of November, respectively, in each year until said debentures are paid.

6. For the purpose of paying said interest and creating a sinking fund for the re-payment of said principal, a special annual rate shall be assessed, levied and collected on the land to be benefited (in accordance with the report of the surveyors aforesaid) in the following manner, namely :—

1st. All that portion of the townsite lying between the first street north of Chatham Street and the water front 5/10ths of the cost in proportion, as near as may be, to the area of the lots therein contained.

2nd. The remaining portion of the townsite in proportion to its area 3/10ths of the cost.

3rd. Sections 2, 11, 4, 9, 33, 34 and 35 in proportion to their area, 2/10ths of the cost.

7. Such rates shall be assessed, levied and collected in the same manner as taxes, in each and every year until said debentures shall be paid off.

This by-law shall take effect and come into force on the 5th day of May, A.D. 1891.

This by-law may be cited for all purposes as the "Stevenson Local Improvement By-Law, 1891."

Passed its first and second readings on the 4th day of April, A. D. 1891.

Passed its third reading on the 11th day of April, 1891.

*A By-Law to raise by way of Loan the sum of \$50,000 for the purpose of Dyking and Draining the eastern portion of Lulu Island.*

WHEREAS a majority in number of the owners of property on Lulu Island lying to the east of Road No. 5, according to the last revised Assessment Roll, being for the year 1890, have petitioned the Muni-

And whereas the Council of the Municipality of Richmond have procured the services of Garden, Hermon & Burwell, Provincial Land Surveyors, to examine the locality proposed to be dyked and drained, and to report on the feasibility of the scheme:

And whereas said Garden, Hermon & Burwell have examined said locality and have reported, recommending the construction of said work:

And whereas said Garden, Hermon & Burwell have prepared plans and estimates of the work and have made an assessment of the real property to be benefited by such dyking and draining, with the proportion of benefit to be derived by such dyking and draining by every lot or portion of lot, as hereinafter set out:

And whereas said Council is of opinion that said dyking and draining are desirable, and that a loan should be raised for that purpose, to be paid with interest in twenty years at furthest from a day hereinafter to be named:

And whereas the sum required for the purpose aforesaid is fifty thousand dollars:

And whereas a special rate upon the lands to be benefited is to be assessed and levied annually for the payment of the interest on said loan and for the creation of a sinking fund for the payment of the principal, as and when the same shall, respectively, become due:

And whereas it will require the sum of two thousand five hundred dollars annually for the payment of interest, and two thousand five hundred dollars annually for the creation of a sinking fund for the payment of the principal during the period in which this By-Law shall be in force and effect:

And whereas the present indebtedness of the Municipality aforesaid is \$30,000, on which no interest is in arrears:

Therefore the Reeve and Council of the Municipality of Richmond in Council assembled, enact as follows:—

2. It shall be lawful for the Reeve and Clerk of the said Municipality to raise, by way of loan, from any person or persons, body or bodies corporate, who may be willing to advance the same upon the credit of debentures, hereinafter mentioned, a sum not exceeding fifty thousand dollars (\$50,000) and cause the same to be placed in the Bank of British North America, Vancouver, B.C., to the credit of the Municipality for the purpose and with the object above recited.

3. It shall be lawful for the said Reeve and Clerk to cause any number of debentures, of not less than one hundred dollars each, to be issued, said debentures not exceeding in the whole the sum of fifty thousand dollars; and all such debentures shall be sealed with the seal of the Corporation, and signed by the Reeve and Clerk of the Municipal Council.

4. The said debentures shall be made payable in twenty years from the date hereinafter mentioned for this by-law to take effect, at the Bank of British North America, Vancouver, B.C., and shall have attached to them coupons for the payment of the interest.

5. The said debentures shall bear interest at the rate of five per centum per annum from the date of sale thereof, which interest shall be made payable half-yearly, on the fifth day of May and fifth day of November, respectively, in each year, until said debentures are paid.

6. For the purpose of paying said interest, and creating a sinking fund for the repayment of said principal, a special annual rate shall be assessed, levied, and collected on the lands to be benefited, as per schedule hereto annexed.

7. That said rates shall be assessed, levied, and collected in the same manner as taxes, in each and every year, until said debentures are paid off.
